Please read this entire memo for clarification on the class structure. Also, I have posted an online tutorial Panopto for you all to watch. This is found on the left.

Greetings CI 724!

I am so sorry about the confusion for this class structure! I think this is a vivid model of the flexibility required of co-teaching and collaboration!!! First of all, Mary Spencer has decided to move **the on campus class to Room 159 of Corbin from now on**. Group B is to meet tonight (2/19) and Group A will complete the online module.

How this will work: Since this is a 3 credit hour class, which equals to about 12 hours of actual hands on time per week, devoted to the course, including readings, attendance on campus, and assignments. The on campus class will meet for about 2 hours a week and it will take you about 8-10 hours to complete the online readings, view the Panopto, videos, and complete the discussion component of the online section.

For the week that you are on campus (I'll post the schedule at the end of this message) you are still responsible for the chapter assigned that week. I think it would be easiest if we stick to the schedule of readings and **EVERYONE needs to complete the online component every week. BUT the group that is on campus that week will participate in the activities that cut across chapters and are contextual to your teaching assignment. The on campus time is also your "support group" where you discuss issues that are of concern and get help with difficulties.**

**\*\*\*Don't worry about deadlines of modules right now!** The journal critique was still due on 2/18 at midnight and there is a 5 point deduction for every date late, but the modules will be opened for the entire semester so everyone can catch up. You will not be penalized for being late on the modules right now!!! I know this is confusing so I am giving everyone until after Spring break to catch up with the online modules.

I will list the groups here and also the dates for the modules:

**Group A – List of students names**

**Group B – List of student names**

Your schedule is as follows:

2/5/13 – Chapter 1 everyone is online

2/12/13 – Chapter 2 – Group A= on campus, Group B= online

2/19/13 – Chapter 3 – Group A = online, Group B = on campus

2/26/13 – Chapter 4 – Group A = on Campus, Group B= online

3/5/13 – Midterm Exam – Chapters 1 – 4 EVERY TAKES THIS ONLINE... NO ON-CAMPUS MEETING.

3/12/13 – Chapter 5 – Group A = online, Group B = on campus

3/19/13 – SPRING BREAK!!! No readings, no assignments, no class on campus!!!

3/26/13 – Chapter 6 – Group A = on campus, Group B = Online

4/2/13 – Chapter 7 – Group A = online, Group B = on campus

4/9/13 – Chapter 8 – Group A = on campus, Group B = online

4/16/13 – Chapter 9 – Group A = online, Group B = on campus

4/23/13 – Chapter 10 – Group A = on campus, Group B = online

4/30/13 – No class online or on campus, no readings or assignments due... This is a work week to finalize your Book Character paper.

5/7/13 – Final Exam covering Chapters 5 – 10. This will be online for everyone to complete and will be due by 5/11/2013 at midnight.

Finally!!! I am making an online panopto tutorial module for anyone who needs help with the online portion of the class. It will be the radio button on the left marked, Online Tutorial. I am also opening a blog called HELP! where you can post questions and concerns.

Thank you all for your patience and understanding!!!
